Note

A screenshot of the "Jason's E-Board Training Demo" interface. The interface has a light green header with the title "Jason's E-Board Training Demo" and the user name "douglas" in the top right corner. Below the header is a row of tabs: "Welcome" (selected), "Pictures", "Resources", and "Calendar". The main content area is purple and contains a yellow sticky note with a blue pushpin and the text "Welcome". In the bottom right corner, there is a "post/edit mode" link and the "eBoard" logo.
